Come play on the deenSTRONG team!

The deenSTRONG Foundation began running programs in 2008 as a Friday night drop-in basketball program by a team of engaged youth volunteers. 10 years later, deenSTRONG has held 8 annual camps for youth aged 16-25, weekly mentorship programs in schools, summer camps for children aged 5-12, and more recently connected grassroots members from diverse communities in a think-tank to plan and implement programs identified to meet the needs of these diverse communities.

The deenSTRONG Foundation has hosted conferences with more than 2,500 members in attendance, has seen an annual attendance of approximately 1250 youth enrolled in programs and seen to the philanthropic development of over 125 volunteers. The board represents diverse groups from different ethnic and religious backgrounds, age demographics, socioeconomic status – all working towards the betterment of our collective community.

While deenSTRONG programs have been enjoyed by youth from all backgrounds, our mission is more focused on the challenges of 1st, 2nd, and 3rd generation immigrants and the challenges of integration, separation, marginalization, academic success, physical and mental well-being, leadership development, and reaching one's full potential.
